Afterward, you can relax on the park's hammocks to chill out some more, and you can also shop for photos and souvenirs. When you finish your day, hop back into your transportation for the return ride to your resort.

HAPPY HOUR BOAT TOUR - \$79.00 PER PERSON

Get ready for an unforgettable afternoon of sailing the Bavaro coastline on this Punta Cana Happy Hour cruise. There's no better way to wind the day down than by cozying up and taking in the beautiful sights and sounds of the sea. You'll snorkel before the sun goes down and dance away as you enjoy a cold drink from the floating bar. Happy hour at its Caribbean best.

Experience some of the best snorkelling in the world

Go aboard a modern catamaran after a comfortable ride takes you to the marina from your resort. Then, set sail toward the Punta Cana reefs, which have some of the most beautiful sea life around. Take a deep breath, put on some snorkeling gear and let hundreds of tropical, colorful fish wow you as the sun beats down overhead. For today at least, this is your own little corner of ocean to explore.

So grab that snorkel and dip your head into a magical underwater world. Your friendly crew members are on hand to help you answer any questions you might have about your new fishy friends.

Sail Punta Cana during happy hour

There's a good reason why it's called Happy Hour! Let that smile spread across your face as you dry off and grab a drink, continuing your cruise of Punta Cana during a great afternoon. Why not warm up with a little Mamajuana, a popular local drink made with a unique mixture of roots and spirits? Or just go for a classic rum and cola? Either way, it's cocktail time at the open bar!

Swim in a natural pool, with dance and drinks

Your Punta Cana Happy Hour cruise will also take you to a secret spot, surrounded by palm trees and natural beauty. It's your own slice of paradise, so sit back and relax or get your hips swinging to tropical merengue and bachata rhythms.

As the fun continues, take a dip inside a natural pool and enjoy delicious cocktails from the floating bar as the music continues to play. You'll be back to shore by early evening, and round-trip, air-conditioned transportation will be waiting to take you back to your resort.
