PUNDA VIBES CURACAO BAR HOPPING EXPERIENCE

\$152.00 TOTAL FOR 2

Curacao not only comes alive during the day time with vibrant colors flowing from one street to the other and gorgeous paintings along the walls of the cities; though the sun takes its leave, the city remains awake. Join us on a scenic ride through the island's capital to the sound of the latest Curaçao beats. Along the journey, there is much to learn about the rich history of Curaçao and how the beautiful island as you see it, came to be. As the evening continues, venture into the eccentricity of Punda's artsy streets and marvel at the talent in the hands of locals, in bringing simple building designs, to life. Later on, with the evening winding down, take the trek along the wispy, white sands where your "Bombokati", a special cocktail, awaits. Sea breeze along your skin, experience Curaçao in her most vulnerable form as you walk freely through the streets and engage in authentic island vibes.
